## Overview

The Diploma in Engineering, which has intakes for international students in February, June and October, is equivalent to the first year of the Bachelor of Engineering. In this program, students study six first year faculty core units as well as two units of Communication which have been designed to support their other core units. Students who successfully complete these units earn full academic credit for eight units towards their degree. Graduates articulate to the second year of the Bachelor of Engineering. Small lectures and tutorials, additional workshops and the support of Language and Welfare Advisers provide an excellent learning environment.

## Entry Requirements - Academic

Successful completion of senior high school with the required grades. Students can find more detailed country specific entry requirements at the following web site:  
<http://www.qut.edu.au/international/apply>

## English Language Requirements

Queensland Senior English (Low Achievement) or IELTS 5.5 with no sub-score less than 5.0 or TOEFL iBT Overall score of 69 (at least 18 in writing and reading and 17 or more in listening and speaking) or TOEFL 525 (paper) or TOEFL 193 (CBT) or equivalent, or successful completion of the EAP

program. (N.B. Students should also check visa requirements).

## Progression

Requirements for progression to the second year of the QUT Bachelor of Engineering program:

- fulfil the Diploma course requirements,
- achieve a minimum GPA of 4.0

## Course Completion

Students must obtain at least a grade of 4 (Pass) or better in all units.

## Description

The Diploma in Creative Industries (previous title: University Diploma in Creative Industries), which has intakes for international students in February, June and October, is primarily a pathway for entry to bachelor degrees within Creative Industries, with the Bachelor of Creative Industries KK33 being the most prevalent course progression pathway. Students gain coherent and integrated theoretical, technical and practical knowledge with emphasis on developing technical, analytical, decision-making, problem solving, teamwork and communication skills in well-defined, structured environments and with real world application.

In this program, students study six faculty units as well as two units of Communication which have been designed to support their other units. Small lectures and tutorials, additional workshops and the support of Language and Welfare Advisers provide an excellent learning environment.

## Course Completion

Students must obtain at least a grade of 4 (Pass) in all units.

## Progression

Students who successfully complete the Diploma of Creative Industries and achieve a GPA of 4.0 will **receive one year's advanced standing** and be **guaranteed a place in one of the available bachelor programs** from the Creative Industries Faculty.

**96 credit points of advanced standing with:**

**4 semesters to complete:**

## QUT International College

International students may upgrade to the QUT Bachelor of Information Technology through QUT International College at our Kelvin Grove campus.

The University Diploma in Information Technology is equivalent to two semesters of the Bachelor of Information Technology degree with a total of 96 credit points (48 standard credit points for a full-time semester).

In the University Diploma program, students study six degree core units as well as two English language units that have been designed to support the other core units.

## Progression to the Bachelor of Information Technology

Students who successfully complete these eight units with a grade point average of 4 (on a 7-point scale) and obtain a grade of at least 4 in Professional Communication 2 are given two semesters full-time advanced standing towards their degree and are guaranteed a place in the Bachelor of Information Technology.

Students who complete the University Diploma in Information Technology are also eligible for 96 credit points towards the Bachelor of Corporate Systems Management and Bachelor of Games and Interactive Entertainment.

## International Entry requirements

### Academic entry requirements

A completed recognised bachelor degree (or higher award) in any discipline with an overall grade point average (GPA) of 4.0 (on QUT's 7 point scale).

Pathway into [Master of Business](#)

1.5 year program - For students with an undergraduate degree in the same discipline as their nominated Master of Business major

BS37 Graduate Certificate in Business and Communication (one semester) leading to BS11 Master of Business (Applied Finance, Human Resource Management, Integrated Marketing Communication, International Business, Management; Marketing, Public Relations or Strategic Advertising) (two semesters) (96 credit points of advanced standing).

2 year program – For students with an undergraduate degree in business (or related field of study) in a discipline that is different to their nominated Master of Business major

BS37 Graduate Certificate in Business and Communication (one semester) leading to BS11 Master of Business (Applied Finance, Human Resource Management, Integrated Marketing Communication, International Business, Management; Marketing, Professional Accounting, Public Relations or Strategic Advertising) (three semesters) (72 credit points of advanced standing).

2 year program - For students with an undergraduate degree in any discipline

BS37 Graduate Certificate in Business and Communication (one semester) leading to BS11 Master of Business (Applied Finance, Human Resource Management, Integrated Marketing Communication, International Business, Management; Marketing, Professional Accounting, Public Relations or Strategic Advertising) (three semesters) (48 credit points of advanced standing).

## International Entry requirements

### Academic entry requirements

Requirements for this pathway course are dependent your selected Master program and major.

Master of Professional Engineering (Electrical OR Electrical and Management Majors)

EN60 Graduate Certificate in Communication for Engineering (1 semester) and EN55 Master of Professional Engineering (Electrical OR Electrical and Management) (3 semesters)

A completed recognised four year full time Bachelor degree in an Electrical engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Professional Engineering (Mechanical OR Mechanical and Management Majors)

EN60 Graduate Certificate in Communication for Engineering (1 semester) and EN55 Master of Professional Engineering (Mechanical OR Mechanical and Management) (3 semesters)

A completed recognised four year full time Bachelor degree in a Mechanical engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Professional Engineering (Civil OR Civil and Construction OR Civil and Management Majors)

EN60 Graduate Certificate in Communication for Engineering (1 semester) and EN55 Master of Professional Engineering (Civil OR Civil and Construction OR Civil and Management) (3 semesters)

A completed recognised four year full time Bachelor degree in a Civil engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Engineering Management

EN60 Graduate Certificate in Communication for Engineering (1 semester) and BN87 Master of Engineering Management (2 semesters)

A completed recognised four year full time Bachelor degree in Electrical, Mechanical or Civil engineering with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Engineering (Electrical)

EN60 Graduate Certificate in Communication for Engineering (1 semester) and EN50 Master of Engineering (Electrical) (2 semesters)

A completed recognised four year full time Bachelor degree in an Electrical engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Engineering (Mechanical)

EN60 Graduate Certificate in Communication for Engineering (1 semester) and EN50 Master of Engineering (Mechanical) (2 semesters)

A completed recognised four year full time Bachelor degree in a Mechanical engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

Master of Project Management

EN60 Graduate Certificate in Communication for Engineering (1 semester) and PM20 Master of Project Management (2 or 3 semesters)

A completed recognised four year full time Bachelor degree in an Electrical, Mechanical or Civil engineering discipline with a grade point average of 4.0 or higher (on QUT's 7 point scale).

## International Course structure

The Graduate Certificate in Communication for Engineering is designed around set of core and

## Graduate Certificate in Communication for Engineering

discipline units to provide engineering graduates with technical, theoretical and language skills for further learning.

To graduate with a EN60 Graduate Certificate in Communication for Engineering you are required to complete 48 credit points of course units consisting of:

- 24 credit points of core communication units
- 12 credit points of core engineering units
- 12 credit points of engineering discipline units for advanced specialised knowledge and technical skills.

Your engineering discipline unit is selected from either the mechanical or electrical unit options, depending on your engineering specialisation.

No credit for prior learning will be available for units in this course. Discipline units provide added depth and breadth in your chosen area of specialisation in an English speaking context.

## International Entry requirements

A completed recognised bachelor degree in information technology with a minimum grade point average (GPA) score of 4.0 (on QUT's 7 point scale).

Pathway into:

1. Master of Information Technology
  - Graduate Certificate in Communication for Information Technology (IN17) (one semester) to [Master of Information Technology](#) (IN20) (three semesters)

Students with bachelor degrees in disciplines other than information technology may consider the [University Certificate in Tertiary Preparation for Postgraduate Studies](#) (QC06) or [English for Academic Purposes](#) pathways.

2. Master of Data Analytics

Graduate Certificate in Communication for Information Technology (IN17) (one semester) leading to [Master of Data Analytics](#) (IN27) (three semesters)

## Minimum English requirements

Students must meet the English proficiency requirements.

| IELTS (International English Language Testing System) |     |
|---|-----|
| Overall   | 6.0 |
| Listening   | 5.0 |
| Reading   | 5.5 |
| Writing   | 5.5 |
| Speaking  | 5.0 |

Successful completion of QUT's English for Academic Purposes (EAP)(Direct Stream) with 50% or better or QC32 English for Academic Purposes 2.

## Course Design

The Graduate Certificate in Communication for Information Technology will provide you with core discipline studies and communication knowledge and skills.

The course structure consists of 48 credit points of units. There are two common core communications units (24cp) and two information technology unit options (24cp) from the following information technology areas: Computer Science/Data Science, Enterprise Systems, Networks, Security, or Business

Process Management.

NB: If you intend to follow a major pathway into IN20/21 MIT you should select the recommended IT units for those majors on commencement of IN17.

## Pathways to Further Study

The QUT Graduate Certificate in Communication for Information Technology is located at Level 8 of the Australian Qualifications Framework (AQF). Eligible graduates may articulate from the Graduate Certificate in Communication for Information Technology into the related [IN20 Master of Information Technology/ IN21 Master of Information Technology - Graduate Entry](#) course.

## International Course structure

The course structure consists of 48 credit points of units. There are two common core communications units (24 credit points) and two information technology unit options (24 credit points) from the following information technology areas:

- computer science/software development
- cyber security and networks
- business analysis
- business process management
- data science
- enterprise systems
- executive IT

NOTE: You should select the recommended IT units for your [chosen major](#) on commencement of IN17. Please contact the Course Coordinator for assistance with any IT unit selection.

## Sample Structure Important Course Information

You should select the recommended IT units for your [chosen major](#) on commencement of IN17. Please contact the Course Coordinator for assistance with any IT unit selection.

## Information Technology unit options are available from the following IT areas:

Business Process Management related units - IFN515, *IFN521*, *IFN562*  
 Business Analysis related units - IFN562, IFN561, *IFN515*, *IFN521*  
 Computer Science related units - IFN563 (6CP) + IFN564 (6CP), *IFN507*, *IFN509*, *IFN541*, *IFN591*  
 Cyber Security & Networks related units -

## Graduate Certificate in Communication for Information Technology

IFN507, IFN541, *IFN591*

Decision Science related units -

IFN509, *IFN521*

Software Development related units -

IFN563 (6CP) + IFN564 (6CP)

Enterprise Systems related units -

*IFN515, IFN541, IFN561, IFN562*

Executive IT related units -

IFN561, *IFN521*

\* *Italics = option units in the MIT major*

**PLEASE NOTE:** IFN563 and IFN564 are 6 credit point (cp) units (delivered in block mode - 5 week teaching period).

**IMPORTANT:** When you select a 6cp unit you must select another 6cp unit together with it. The units are delivered in 5 week teaching period:

- 5 Week A runs from week 1 to 5 of semester 1
- 5 Week B runs from week 9 to 13 of semester 1
- 5 Week C runs from week 1 in semester 2
- 5 Week D runs from week 9 in semester 2.

Due to the shorter timeframes involved the 5 Week sessions have different enrolment and [census dates](#).

## Entry Requirements - Academic

Students must have met the academic entry requirements for their proposed postgraduate or undergraduate course.

## Entry Requirements- English Language

IELTS 6.0 with no sub-score less than 5.0 or TOEFL iBT Overall score of 80 (at least 18 in all bands) or TOEFL 550 (paper) or TOEFL 213 (CBT) or equivalent, or successful completion of the EAP program (N.B. Students should also check visa requirements).

## Description

The University Certificate in Tertiary Preparation is a one-semester program that enables students to receive a University certificate on successful completion. It is designed for students who may have already met the academic entry requirements for a QUT undergraduate or postgraduate degree, but who may not have met the English language and/or prerequisite requirements.\*

This program provides two alternative streams:

Stream A is designed for students who have not met English and/or prerequisite requirements for their chosen undergraduate or postgraduate course. Most students may undertake one degree unit (for credit) whilst enrolled in the University Certificate in Tertiary Preparation program.

Stream B is for students who have met English requirements but not prerequisite

requirement for their degree, or who may wish to improve the standard of their academic English. These students may take one or two degree units (for credit) whilst enrolled in the University Certificate in Tertiary Preparation Program.

Both streams include intensive preparation for academic language, lateral thinking, research and presentation skills required for successful tertiary study. Small classes and dedicated staff ensure an excellent learning environment. Additional support is provided by Language and Welfare Advisers.

Alternatively, there may be some students who have already met both the academic and English requirements for a QUT degree entry, but who would prefer to undertake the University Certificate in Tertiary Preparation in order to prepare for academic study in a different tertiary environment.

\*Students who require a Student Visa should check the English language requirements for a student visa from their country of origin.

## Course Completion

Students must obtain at least a grade of 4 (Pass) in all units.

## Progression

In order to progress to an award course, students must:

- fulfil the University Certificate in Tertiary Preparation course requirements
- gain a minimum grade of 4 (Pass) in Communication 2 or an IELTS 6.5 or equivalent,
- meet any other conditions detailed in the 'letter of offer' from Student Business Services.
